SHOWER SCENE

My flight touched down ahead of schedule. Miracle of miracles, right?

Having swiped my suitcase from the baggage carousel, I started to call my wife, then rejected that idea. Marion would be more than willing to pick me up at the airport, but I didn't want to bother her.

It was Friday, just shy of noon, and she would be hard at work. Marion's boss had been giving her hell about a looming deadline, so I felt it best to leave her be and just hail a cab. I didn't even send a brief text announcing my arrival as this would only distract my wife from her highly demanding job.

The cabby was a chatty Nigerian with a disregard for speed limits and stop signs. I was relieved to make it home in one piece.

Rolling my bag up the driveway, I saw that Marion had remembered to close the garage door when she had left for work that morning. My beloved sports car was in there, safe and sound, itching to be put through her paces after a week of inactivity. Yes, it was good to be home. My business trip had been a success, but hotel life left much to be desired. I was looking forward to a home cooked meal and a good night's sleep in my own bed.

And, of course, I couldn't wait to see my wife. Marion always welcomed me home with open arms.

And open legs!

No doubt we would spend the majority of the weekend in bed making up for lost time.

No sooner had I unlocked the front door and entered the foyer than I heard water running. Shit, I thought, imagining some sort of plumbing catastrophe. Fearing the worst, I abandoned my luggage and rushed

to the master bathroom. Luckily everything was okay.

Well, not quite everything . . .

The bathroom wasn't flooded. But somebody was taking a shower. That somebody, judging from their voice, was Marion. And she wasn't alone.

Unable to control myself, I swept the curtain aside. Marion and our next door neighbor, Vivian, screamed in unison. I stood there in utter shock, my disbelieving eyes roving all over their lathered bodies.

"You two," I bellowed with rage, "have some serious explaining to do!"

My wife did most of the talking while Vivian, looking hotter than ever, turned off the water and stood there in all her glory. I found it increasingly difficult to maintain eye contact with Marion. Try as I might, my gaze kept wandering to our redheaded neighbor's half-melon tits and unkempt auburn bush.

"You need to relax, honey," Marion concluded her spiel. "Vivian is no threat to our marriage. We were just having some fun. You were gone all week. I got bored and horny. Surely you can understand that."

"I'm too angry to understand anything," I countered.

"You sound angry, sure," Vivian chimed in, "but your cock tells a different story."

"It sure does," Marion said.

They were referring to the telltale tent in my pants. My bulge couldn't be denied. I was miffed, yes. But I was also turned on by the whole idea of my wife taking a shower

40+ #29

40+: Hi Dana. You look great, come on over!

Dana: Oh, hi. I didn't recognize you in that hoodie.

40+: Yeah, it's quite cool outside.

Dana: I know! My nipples are still hard (chuckles).

40+: Yes, I see, and that's a great segue into talking to you about... sex!

Dana: OK, I'm ready... after this sip of coffee.

with another woman. A big part of me wanted them to resume their little party; just so long as they let me watch. Or, even better, join in the fun . . .

"You must be tired after your flight," Marion told me. "Why don't you join us, baby. Vivian and I will take good care of you. We know just what you need."

"We sure do," Vivian said, licking her lips lewdly.

My anger all but vanished as I hastily removed my clothes. Vivian turned on the water. The warm spray felt good on my tense muscles; though not nearly as good as her hand pumping my cock. Working her wrist rhythmically, she crushed her lips to Marion's. Watching them kiss turned me on something fierce. I ran my hand down Marion's back, delving between her taut ass cheeks, then further into her wet cleft. My wife's pussy was drenched. I slid two fingers inside her as Vivian continued stroking me.

In time Marion knelt before Vivian and proceeded to lap her hairy cunt. Vivian leaned against the tile wall, moaning and gasping as water sluiced over her tits. Be-

tween gasps, she managed to tell Marion to suck my cock. Good idea, Vivian, I thought amusedly.

I watched with mounting excitement as Marion took turns servicing the both of us, hubby and neighbor. One minute she would lick Vivian's clit, the next found her polishing my pole. All the while I fondled Vivian's tits, twisting and pulling her turgid nipples.

Things culminated with Vivian and Marion going down on me. My wife sucked my dick while Vivian feasted on my balls. Every ounce of stress left my body. The business trip, the long flight, the perilous cab ride, all of it evaporated as the two of them brought me closer and closer to the brink.

"Oh shit!" I announced my impending explosion.

Marion and Vivian withdrew just in time to receive my load in full. I coated their faces good, dumping much cum on the both of them.

It was a shower to remember, that's for sure. And one I had the good fortune to repeat on a regular basis; at least until Vivian got a job on the East Coast and moved half-way across the country.

Our new neighbor is a fat slob who mows the lawn in his boxer shorts. Oh well. It was fun while it lasted.

— *Jacob H., Memphis, TN*

LET'S SWING, HONEY!

It was movie night and we had just got back from the movies. That was last night and I'm writing today so I don't forget. There were four of us. We sat around the fire and popped open a couple bottles of wine. We were sitting on the back patio and beginning to feel the effects. Mike is my best friend and his lady is Donna. My wife had a couple drinks and retired early. We were talking and passing the cell phone around so we could see naked 'selfies' of Donna.

She wasn't shy about herself and was

40+: It's well known and well shown that you're into guys and girls. Is there a preference?

Dana: Not really. For me, it's whatever the scene or director calls for. I do have a say once in a while but, for a scene, it's usually not my choice.

40+: Is the choice of partner yours?

Dana: Here again, it's usually whatever the casting calls for. I'm open to either and will give my best with whomever I'm paired with.

40+: That's quite diplomatic of you.

Dana: Not really. It's just how it is.

40+: You've become a quite successful director in your own right. How do you deal with pairing off people?

Dana: That's a tough question because a lot of it depends on people's schedules, if they are in town for the shoot, if they are feeling good that day, and who I've paired them up with.

actually telling us about when and where she took them. There were about ten or twelve different ones in various states of undress, but all highlighted her gorgeous, newly-minted boobs, and big toothy smile.

Donna goes into the house and beckons us two guys inside where she begins to unbutton her blouse. Mike was busy drawing the blinds as Donna unclipped her bra. "Here. Have a feel of these fine boobies. Much better than looking at photos, isn't it?" she said.

I began to get some kind of composure back and moved to gently stroke her superb full boobs and nipples. She sighed and so I began to flick my tongue over her large nipples bringing them to a spectacular hard erection. I looked over to Mike, who by now had his trousers and t-shirt off, and I could see his dick was already standing at attention.

He moved behind Donna and slid her jeans and thong off all in one tug. She lay back on the sofa brazenly displaying her large boobs, hard nipples and glistening shaven pussy. I was hurriedly undressing, my cock had precum already glistening on the tip.

"Like what you see here?" said Donna exposing the pink of her shaven pussy. I slid into her as she arched her back grunting then gently moaning. The atmosphere was electric and as I continued to fuck Donna, she enthusiastically wrap-ped her legs around me trying to get my cock into her as deeply as possible.

After a few minutes of this I managed to pull out and Mike took my place. I stroked Donna's boobs as Mike fucked his wanton babe. After a while, we changed positions and Donna rode Mike's cock while she sucked on mine.

This lasted for a while before Mike and I swapped positions. Eventually she came groaning loudly. Once she had recovered, she knelt down and began taking turns sucking us off. It didn't take long for Mike to shoot his load over her boobs. Donna then turned her attention to my cock and

pretty soon I added my load to the spunky mess. Donna clearly loved this.

However, about three months later, things happened. Mike changed jobs and he and Donna moved out of the area. We saw very little of each other after that, but the exploits with Donna and Mike had kindled an interest in swinging. After ten years of married life and my wife knowing of my past experiences, we decided to dip our toes in the water. Fortunately my wife loved it, and we loved nothing more than to get a weekend away and visit a local swingers club. Now that's something we have done several more times and enjoyed each one.

One weekend, we visited an underground club and as we had a drink at the bar, I walked Mike and Donna. The three of us were stunned. My wife then quickly catching on to who they were. Normally you wouldn't want to meet an ex work colleague in such circumstances, but this was different.

We caught up on old times and almost seamlessly ended up in a room where we enjoyed a great four-way fuck, Mike fucking my wife while I re-acquainted myself with Donna's body once more. We swapped phone numbers and meet up every now and again for a sexy weekend.

— Tucker S., Annapolis, MD

40+: Do you have or use a cheat sheet for talent.

Dana: Kinda, but a lot of that information is pretty well known already.

40+: I can't wait to see your next venture. When will it be coming out?

Dana: Do you really want me to spill it? You'll just have to wait like everyone else. (*It's next Saturday!*)

My Order Is Up!

At 41, I never thought I had a chance with Daria. Turns out I did!

A couple long days passed and it was hard seeing her there and me here, but Friday came around and I managed to get the day off.

I have a feeling it's going to another long tiring Saturday night here at Winners. There are three professional basketball playoff games on almost all of the two dozen flat screens around the restaurant and sports bar. There are a ton of guys and a few girls here and the noise level borders on deafening when the home team scores. But I manage to block that all out when I get a look at Daria.

Daria's an inch or two shorter than me and I'm 5' 10". Like all the server girls with long hair, she has to keep it up or pony-tailed. I hear she, as most of the girls, use a tanning salon so they all have a warm "glow" to their skintones. Although I had the hots for her I could never do what I did with the other girls; just ask them if they wanted to go out sometime.

So I'd work there, day after day, suppressing my urges until I finally broke out and asked her if I could ask her a question. It wasn't the best place or time. She was at the servers' station waiting to pick up a tray of drinks and I was putting an order on the outgoing counter. "Okay, Glenn, but be quick, My order is up," she said.

"I was wondering if you would like to have dinner with me next weekend, you know, after work?" I asked quite quickly.

Her response was just as quick, "Ask me tomorrow. Gotta go now." She pulled the loaded tray onto her strong arm and headed off. The next day was Monday and for personal reasons, the owner closed the restaurant and my chance to ask her again until Tuesday night. So I'm sitting at a table when she comes in and catches my eye. "Oh, hi Glenn," she said. "You know,

I've been thinking about what you asked me a few days ago and I think it would be nice to have dinner with you. Away from this place." We both chuckled and I said that'd be great. I went to the schedule written on the board and pointed to Friday, which did not have her name. "Pick you up Friday night?" I asked.

"But you're scheduled for that night," she said, and I was.

"I'll get someone to come in for me, or feign illness." I chuckled.

A couple long days passed and it was hard seeing her there and me here, but Friday did come around and I managed to get the day off. I texted her about two in the afternoon saying I'd be by at five and was taking her to Sandy Lane. It's a local hangout with just a touch of class – and a great menu. I hope Daria likes seafood because I forgot to ask.

"That was a fun place and the wild salmon was just great," she said on the drive back to her place. Now it's about 10 pm and I hear the words I've been waiting for... "Please come up and have a nightcap," she said. "Our shift doesn't start until three." I told her I would, trying to be as gentlemanly as possible.

She bought out a couple drinks for us and I found a dvd and put it in her machine. As the movie started up, Daria pulled out a small remote and dimmed the lights down low. As we got into the movie we both became more comfortable sitting next to each other. After the first action scene was over, I leaned back and extended my arm down the top of the sofa. She too leaned back and nestled into me.

I closed my eyes tight as I moved closer with each thrust to another climax. Again, she sensed my impending climax without a word or moan from me. She whispered that I should let it go onto her chest.

She sensed the heat on my groin growing as she inched her hand slightly toward my crotch. She continued to edge her hand up until her open palm rested firmly on the shaft of my cock. Our eyes met. In that instant I knew we were both thinking the same thing.

I just closed my eyes when I felt her hands unzipping my pants and pulling my throbbing cock out. She went down on me, first kissing and licking a bit, then finally letting her mouth engulf my cock. She tried as hard she could trying to deep throat my cock, but couldn't quite make it. She pulled my cock in and out and rubbing it against her moist lips. Man, she was good. I tried not to think where she learned all this, but within ten minutes I was ready to cum.

And she knew it. She pulled my cock out so I wouldn't cum in her mouth. Instead, she let the hot jizz shoot onto her face and started to laugh. After she finished up, we both stripped naked and laid back. She climbed on top and mounted my still very hard cock, sinking it slowly into her tight bald pussy. She moaned and I reached up for her boobs and she sat further and further down on me until finally my entire cock was buried deep in her pussy. I could feel her inner walls pressing back against my cock as far as it would go. She tightened her vaginal muscles to hold me there, then released me for more.

Then slowly rotated on my cock so she was facing away from me. This was the first time I got a good look at that fine ass. She tapped my legs and I knew she wanted me to get behind her. I

entered her from behind, starting slowly at first with a nice slow in and out. My cock slipped effortlessly past her smooth pussy lips. We were moaning and breathing hard while I went to town on her slippery insides.

From behind, I reached down to grab her boobs, kneading them like soft dough. I moved down to her stomach, resting one of my hands on her warm belly while my oth-

er hand slid between her legs and found her clit. I pinched it between my thumb and forefinger, rubbing it up and down. Then I sat up and leaned back a bit to look down at her tight hairless asshole. I took my pussy-wet finger and slowly moved it around the little brown pucker.

Before I could go too far, she got off the sofa and then leaned back against its overstuffed arm. Daria lifted her legs up slowly in a long sensuous V and I took her right ankle and placed it over my shoulder. Then did the same with her other leg. She reached down and grabbed my cock and guided it straight into her pussy. I felt the tip penetrate the moistness and immediately started thrusting in and out.

As I kept up my part of the act, I closed my eyes tight as I moved closer with each thrust to another climax. Again, she sensed my impending climax without a word or moan from me. She whispered that I should let it go onto her chest. I pulled out and with body tense, I released a second cumming on her chest and belly. She rubbed the warm gooeey potion on her as I found my shirt and handed it to her to wipe herself dry.

"Your turn." she said motioning me to her pussy by sitting on the sofa arm and opening her legs. I knelt on the sofa in front of her like an obedient (dare I say it?) lap dog and stared at her smooth hairless pussy. I reached behind her ass and pulled her a little closer to make the angle perfect for my task. Then I started lapping it. First all around the lips and the inside of her thighs. She squirmed. Then I'd run my tongue vertically down the slip, then up it, parting the lips further until my tongue hit her clit.

From there, I made small circles with my lips, licked the underside of her clit, and finally took it between my pursed lips and sucked gently on it – at first, then sucked with more suction, and more until I felt I was going to pull it right off her. She squirmed and tightened her legs around my head. I stopped with her clit and slid my tongue into her hole. I felt her pussy lips tighten around it as it slipped through her wetness.

Daria pushed my head off and down and told me to get on my back. She slid off the arm and right onto my face in a sweaty 69. My cock went straight into her mouth, and as I sucked on her clit, she let go a long low groan that was stifled by her teeth biting my cock as she came. She knew how much pressure to apply and then released her teeth. Needless to say, this has not happened before.

Okay, I spent the night, and we did make it to work on time the next day. She told me she was free on Tuesday if I could get the day off.

I did.
